Volume IV, Issue II

“A false witness will not go unpunished, and he who speaks lies will not escape. A false witness will not go unpunished, and he who speaks lies shall perish.” (Proverbs 19:5 & 9)

*“Barack Obama has committed nearly countless acts of high crimes and misdemeanors. It is long past time for the House of Representatives to send articles of impeachment to the Senate.”*  
–Dave

Barack Obama is a serial liar, and so is his administration. No real revelation there, however recent revelatory emails released to [Judicial Watch](#) through the Freedom of Information Act show that the White House not only engineered the “it’s all about a video” lie, but also that these important emails were withheld after being subpoenaed.

In what I hope is finally an act of real congressional oversight, Speaker of the House John Boehner is bringing to the House a vote on [creating](#) “a new select committee to investigate the September 11, 2012 terrorist attack in Benghazi, Libya that killed four Americans.”

The Blaze [reported](#) on May 1, 2014 that during testimony before a House panel, a retired Air Force general testified that the military knew “quite early on that this was

a hostile action. This was no demonstration gone awry.”

Under questioning by Rep. Jason Chaffetz (R-Utah), when asked how soon the military knew that Al Qaeda was involved in the embassy attack, the general responded, “Very, very soon. When we were still in the very early, early hours of this activity.” The general further stated that the theory of the attacks being caused by a video was dismissed.

So the White House lied about the best information they had was that it was a spontaneous riot because of a YouTube video. They continue to perpetuate this lie as late as April 30, 2014, when White House Press Secretary Jay Carney said that the Benghazi emails were in fact not about Benghazi, and repeated the lie of the best information available was this was all about a video. The MSM isn’t even [buying](#) that story anymore.

# FROM THE FOUNDERS

**How long will our current elected leaders, mainstream media, and more importantly, the American voter tolerate such open and blatant deceit from the ilk residing and working at 1600 Pennsylvania Avenue? We must demand honesty from our government!**

“There is but one straight course, and that is to seek truth and pursue it steadily.”  
George Washington, in a letter to Edmund Randolph, July 31, 1795.

It is always easy to determine what liberals fear; it is what they attack or try to off-handedly dismiss as a non-story. Such is the case with the latest Benghazi emails. The woman who once held the third most powerful job in the land, current House Minority Leader Nancy Pelosi, in her latest press conference wanted to [know](#), “Why aren't we talking about something else?” No doubt that would be very convenient for Barack Obama and the Democrat Party with the midterm elections just 6 months away.

Why he still has job a FOXNews is beyond me, but blowhard Bob Beckel would like to dismiss the obvious White House cover-up by [saying](#), “So what? Every administration covers things up?” Nice, Bob. Every murderer murders, so are we supposed to ignore all violations of the law?

Not to be outdone by Bob Beckel, on his internet [show](#) “The Young Turks.” Cenk Uygur let go a string of F-Bombs over Republicans and FOXNews’ “obsession” with Benghazi. (CAUTION: obscene profanity).

Our Founding Fathers left us a republican form of government with limited and separate constitutional powers that would allow a nation of self-governed people to live in peace and prosperity. A short search into our nation’s founding reveals that the type of government we have today was the antithesis for what our founders fought and died.

Barack Obama must go. So must the Democrats from power. They cannot be trusted.

# FROM THE PULPIT

“There is some kind of connection between the practice of lying and the condition of the heart that makes biblical writers certain that those who practice lying in their ordinary lives are outside the scope of salvation.” Pastor John Piper, from his [sermon](#) “Speak Truth with Your Neighbor,” September 28, 1986.

I have always doubted Barack Obama’s profession of faith as a Christian. I wrote as much back in 2008 in a New Media Journal [article](#) titled, “The Deep Faith of Barack Obama.” Time has only worked to increase my doubt.

In his sermon, Pastor Piper does give some biblical incidences where it would seem lying is condoned, however, as he states, the Bible never commends lying. The instances in the Bible of lying were in the fear of the Lord and in the opposition of evil. Barack Obama cannot make either case in the plethora of his lies.

Barack Obama lies because he is a liar. The majority of his life has been a lie. Convicted and unrepentant terrorist leader Bill Ayers confessed that he wrote Obama’s autobiography “Dreams from My Father,” for which Barack Obama takes full credit. Now it is not uncommon to have ghost writers. However had this information been known back in 2008 will Obama was running for President, it is doubtful his connection the Weather Underground leader would have been a resume enhancer.

Additionally, Barack Obama and his administration lied about the genesis of and their dereliction of duty during the Benghazi attacks to keep the scandal from touching Obama’s reelection chances. Had Obama’s malfeasance in the handling of the Benghazi attacks been know in November 2012, it is highly unlikely he would have been reelected.

While it may be historically accurate that other presidents have lied and covered-up the truth to protect their administrations, it is unacceptable behavior from a president and equally repugnant for voters to accept such conduct:

“Lying lips are an abomination to the Lord, but those who deal truthfully are His delight.” (Proverbs 12:22)

Many of our nation’s ills directly correspond to the level of deceit perpetrated by our elected leaders and consented to by our citizens. Recall Jethro’s counsel to Moses:

“Moreover you shall select from all the people able men, such as fear God, men of truth, hating covetousness; and place such over them to be rulers of thousands, rulers of hundreds, rulers of fifties, and rulers of tens.” (Exodus 18:21)

# TO THE STREETS

WE the People have accepted “the lesser of two evils” and we have reaped what we have sown. The lesser of two evils is still evil. Many will make the case that we all have some level of evil. While this is true to some extent, it does not mean that we have to accept unrepentant evil just because it has an “R” behind its name. Our nation’s woes are not economic or social; they are spiritual. As citizens we should be aware of what goes on in the halls of government. However, we must be far more concerned with what goes on in the hearts of our friends, relatives, associates, neighbors, and most importantly, us.

Let us ask God to show in each of us where evil reigns so we may repent of it and turn back to the Lord Jesus Christ for spiritual cleansing. We must pick up our Bibles daily and read God’s Word so we can know “what is that good and acceptable and perfect will of God.” ([Romans 12:1-2](#))

As we renew our commitments to our Great Benefactor, let us as citizens do the following this week to let those in the halls of government know that we are watching them and are holding them accountable. Here are some suggestions:

1. [Contact](#) Speaker of the House John Boehner and thank him for proposing a new select committee to investigate fully the Benghazi attacks. Encourage him to bring the vote to the House floor this week.
2. [Contact](#) your US Representative and ask him or her to vote for the new select committee. Let him or her know that this is very important to you and that their vote on this committee will affect how your vote in November.
3. [Contact](#) the White House and let Barack Obama know that you will not allow a whitewashing of the facts surrounding the Benghazi attacks. Let him know that this November you will be holding your elected congressional representatives responsible for their actions as it relates to getting to the truth about Benghazi.

It is not too late to save our nation; far from it.

“If My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land.” (2 Chronicles 7:14)
