## The Truth Watch weekly newsletter

Volume IV, Issue 14

“Let every soul be subject to the governing authorities. For there is no authority except from God, and the authorities that exist are appointed by God.” (Romans 13:1)

*“Barack Obama is flooding our nation with lawbreakers as a means of distracting media attention from his other failures, most recently the coming fall of Iraq. The Lawbreaker-in-Chief must be stopped.” –Dave*

will tell you it is to satisfy nationalistic paranoia. I would answer that some degree of nationalistic caution is needed to protect a nation's sovereignty and welfare.

The Statue of Liberty on Ellis Island has been a welcome sight for millions of immigrants who have left their homeland in search of the American dream. They ultimately become naturalized citizens, adding to the melting pot of Americanism.

However, those who hate American exceptionalism and nationalism are determined to destroy our national fiber by opening our borders and allowing every breed of criminal into our country. Unfortunately this effort is being [spearheaded](#) the Obama Administration.

If you have watched Dinesh D'Souza's brilliant film, "[2016: Obama's America](#)," then you understand that Barack Obama is an anti-colonialist who was raised to hate the traditional values of America.

Additionally, Obama and his communist minions are meticulously following the Cloward-Piven [Strategy](#) through the tactics of [Saul Alinsky](#). Be sure to become well-versed in these tactics and strategy because as Sun-Tzu is quoted as saying:

“To know your Enemy, you must become your Enemy.”

Our enemy is hellbent on destroying the foundation of our republic. That is what Obama actually meant when he said he wanted to “fundamentally transform” America. And he is succeeding by opening our borders. So I am once again calling for the impeachment and conviction of Barack Obama. Here's why...

# FROM THE FOUNDERS

**An unfettered immigration policy such as Barack Obama is instituting is the antithesis of what our Founding Fathers supported and warned against.**

“They will bring with them the principles of the governments they leave, imbibed in their early youth; or, if able to throw them off, it will be in exchange for an unbounded licentiousness, passing, as is usual, from one extreme to another. It would be a miracle were they to stop precisely at the point of temperate liberty. These principles, with their language, they will transmit to their children. In proportion to their number, they will share with us the legislation. They will infuse into it their spirit, warp and bias its direction, and render it a heterogeneous, incoherent, distracted mass...” *Thomas Jefferson, writing on immigration in “Notes on Virginia Q.VIII, 1782. ME 2:118”*

The Founding Fathers were greatly concerned with immigration. While they understood the need to allow desirable people to become citizens, they also understood the dangers of unregulated immigration.

This is why only natural-born citizens can become president. Originally, natural-born was understood to be a child born to two American citizens. In his seminal [book](#) “Where’s the Birth Certificate?: The Case that Barack Obama is not Eligible to be President,” D. Jerome Corsi writes:

*Using Vattel’s definition, natural-born citizen is not a vague concept. Rather, applied to the U.S. Constitution, a natural-born citizen is someone born in the United States to parents who are United States citizens. Given this definition, a person born in the United States to one U.S. citizen parent and a second who is a citizen of another country would not qualify.*

Barack Obama is not a natural-born citizen and [may](#) even be an illegal alien.

Looking at the destruction Obama has caused to America once again illustrates the Founders’ wisdom.

# FROM THE PULPIT

“When you think about it, whereas God, individuals, families, churches and corporations can manifest grace and mercy, the institution of Government cannot. Whenever Government does that it manifests injustice toward someone else. Therefore fundamental to Immigration Reform is the need to demand that illegal entrants meet the same requirements as others who have legally obtained citizenship status.” From [“What The Bible Says About Our Illegal Immigration Problem,”](#) Members Bible Study, Capitol Ministries, June 16, 2014

It is not Christian compassion to give blanket amnesty to lawbreakers. Those who have and are entering our country illegally, even if on buses provided by the Obama Administration, are lawbreakers.

That being said, it is not realistic to believe the millions of illegal aliens can be rounded up and sent back to their homeland.

So what is the solution? Our “To The Streets” page has listed some suggestions to deal with the immigration mess. However, it is past time for pastors to understand and teach their flocks the biblical principle of obeying our nation’s laws. They will be held accountable for it by God.

Every Christian, especially pastors and church lay leaders, should read Ralph Drollinger’s latest and excellent bible study “What The Bible Says About Our Illegal Immigration Problem.” Mr. Drollinger lays out the biblical case for a nation to have borders and a strict and adhered to immigration policy.

Contrary to what many libertarians, liberals, progressives, and theologians teach, it was God’s design that there be independent nations. That is what happened with the Tower of Babel; that is why they were scattered and given different languages. It was God’s mandate to have many nations. Why? As Mr. Drollinger writes, it was “God’s way of counteracting man’s fallen nature.”

A “One-World” government is of the devil himself. The Anti-Christ will one day be the One-World Leader that King Jesus will come and defeat. Christians do not have the liberty to sit back and allow the ushering in of a one-world order under the guise of being compassionate.

# TO THE STREETS

As you read online and watch the news reports of the flood of illegal aliens coming into our country, it would be easy to throw up our hands in defeat. However, we cannot and must not give up that easily. Barack Obama and his fellow leftists are trying to overwhelm us with what seems an insurmountable task. While it is true that great damage has been done to the fabric of our republic, we can repair her and get back on the right track. Here are some steps that WE the People can take:

1. Consider what is called “the cornerstone of immigration reform” is “[The Red Card Solution](#).” Please carefully read all the information at this website, sign the petition, and then share it with all your friends, relatives, associates, and neighbors. Especially share it with your pastor and church lay leaders and your elected officials.
2. One of the reasons I supported Newt Gingrich for President in 2012 was his immigration [plan](#). It follows closely along with “The Red Card Solution” and policy found at the [Kreble Foundation](#). If Newt had been elected, a fence across our southern border would have been completed six months ago and this flood of illegal aliens we see today would have been a progressive pipe dream.
3. I’ve already shared with you the [link](#) to Ralph Drollinger’s latest and excellent bible study “What The Bible Says About Our Illegal Immigration Problem,” however I will post it again to ensure you do not miss it
4. . Please take the time to read this excellent Bible study. As Christian citizens, we must be able to explain our opposition to amnesty for illegal aliens while still being compassionate.
5. [Contact](#) your elected officials in Washington D.C. and demand that Barack Obama be impeached. We can no longer allow any person to be so blatantly lawless, thumbing his nose at America and our Charters of Freedom.
6. Please consider partnering with [NumbersUSA](#) and the Center for Individual Freedom ([CFIF](#)), both excellent and informative websites.

It is up to us to save our nation. Please invite your friends, relatives, associates, and neighbors to [join](#) us here at The Truth Watch.
