

What would a Hillary Clinton Administration look like? The better question is what would our Constitution look like under a Hillary Clinton Administration? Here are a few examples:

**1<sup>st</sup> Amendment:** "Laws have to be backed up with resources and political will and deep-seated cultural codes, religious beliefs and structural biases have to be changed." *Hillary Clinton, speaking on abortion at the 6<sup>th</sup> Annual Women in the World Summit Address, 04/23/2015*

**1<sup>st</sup> Amendment:** "I will call for a constitutional amendment to overturn *Citizens United* in my first 30 days as president...and sign an executive order requiring federal government contractors to fully disclose all political spending." *Hillary Clinton, Netroots Nation Conference, St. Louis, 07/16/2016*

**2<sup>nd</sup> Amendment:** "I think that for most of our history, there was a nuanced reading of the Second Amendment until the decision by the late Justice Scalia and there was no argument until then that localities and states and the federal government had a right, as we do with every amendment, to impose reasonable regulation." *Hillary Clinton, ABC "This Week," 06/05/2016*

Hillary Clinton seems to think our unalienable rights to life, liberty and the pursuit of happiness are rights guaranteed by the Constitution instead of God the Creator, which means these rights can be limited or rescinded:

"We've got to say to the gun lobby, you know what, there is a constitutional right for people to own guns, but there's also a constitutional right to life, liberty and the pursuit of happiness that enables us to have a safe country where we are able to protect our children and others from this senseless gun violence." *Hillary Clinton, interviewed by Steve Harvey, 02/24/2016*

Too much is at stake. America must stop Hillary Clinton. Be sure to vote on November 8<sup>th</sup>.
